2015-2016

We are very excited to begin another great season of chess. Chess has been called “the perfect teaching and learning tool”. It promotes focus, visualization and strategic thinking. Our goal is to provide a fun and positive educational experience for our students. In addition, we participate in local, state and national chess tournaments, consistently placing among the top schools in the state. Chess is a parent organized activity that relies on volunteer help to operate.

Meetings: Weekly on Thursdays from 3:00 – 4:30 in the Library from October 15th through March 3rd.

Pick-Up: Pick up begins at 4:30. Advanced lessons may last until 4:45. Students who are not picked up on time will be taken to the After School Program.

Who Pay Participate: All students Kindergarten and above.

Registration Fees: \$35 (You may pay online or you will be invoiced in late October). This fee covers coaches, a weekly snack and your two tournament registration fees.

Tournaments: We require all Chess Club members to attend one tournament. Tournaments typically begin in late November/early December and continue through mid-March.
