GOALS AND PURPOSES

The Music Academy serves the Metcalf community by offering a wide range of inexpensive, non-credit music lessons and studies. The Music Academy serves the University by providing opportunities for ISU students to gain experience as instructors teaching music in consultation with their professors.

POLICIES

Pupils who miss a lesson are required to notify the instructor at least 24 hours before the lesson except in the case of sudden illness. Otherwise the instructor is not obligated to make up that lesson. Likewise, instructors must give 24 hours notice if they will miss a lesson and must make arrangements to make up the lesson, either that week or at another agreeable time. Instructors will keep a log of the lessons they teach. Summaries of the lessons taught will show the number and dates of lessons as well as repertoire, special abilities or problems, and an evaluation. It will not be the responsibility of the teacher to supervise students arriving early for a lesson. Please be sure your child arrives just in time for a lesson and that you've made arrangements for pick-up promptly after the lesson.

Please fill out the registration blank that follows and return it **with payment**. If you have questions, please contact the academy director, Aundrea Wells at 438-2411 or by e-mail at ajwells1@ilstu.edu.
