

**Metcalf Athletics**  
**Parent/Player/Spectator Code of Conduct**

Thomas Metcalf Lab School takes great pride in our exemplary reputation in academics, teacher preparation, and extracurricular activities.

It is our expectation that parents, players, and spectators conduct themselves in a manner that promotes Illinois State University and its lab schools during all home and away contests.

We expect all fans to conduct themselves, at all times, with a level of sportsmanship and respect that expresses positive support for their team. Booing, swearing, or negative comments directed toward the opposing team, fans, or officials will result in an invitation to leave our facility. Adults, you are the role models for our children and athletes. Please remember that we are here to cheer **FOR** our team, **NOT AGAINST** anyone else. Thank you!
