

Laptop/Chromebook Agreement

Terms and Conditions of Use

The purpose of loaning a laptop and adapter is to provide individual computer access to students at ISU Laboratory Schools. The term of this agreement shall be from the date of execution by all parties through the last school day of the school year, or upon the date the laptop is returned to the Lab Schools, whichever is earlier.

By signing off on this form, the student and the student's parent/guardian certify that they have thoroughly read, understand, and accept the following terms and conditions, which will govern the student's possession of a laptop computer issued to the student by the Illinois State University Laboratory Schools ("Lab Schools"). The student and the student's parent/guardian also certify that they will comply with these terms at all times during the term of this agreement.

General Terms & Conditions

- The laptop is and will remain at all times the property of the Lab Schools, and is being loaned for educational purposes only. The Lab Schools may take back the laptop, or place additional restrictions on the student's use or possession of the laptop, at any time and for any reason, with or without prior notice. If instructed to do so for any reason by any Lab Schools' teacher or administrator, the student or the student's parent/guardian will immediately surrender the laptop to that teacher or administrator.
- At its sole discretion, the Lab Schools may change the terms or conditions of the student's possession or use of the laptop, or to impose new restrictions on use or possession of the laptop, at any time during the term of this agreement.
- The student's possession and use of the laptop will be subject at all times, both on and off campus, to the terms and conditions described in this document, any and all applicable state and federal laws and regulations, applicable School Handbook policies (including the Technology Acceptable Use Policy) as well as any additional rules, regulations, and restrictions that may be imposed from time to time by the Lab Schools. Any included software may be used only in accordance with the applicable license and it is the student/parent's responsibility to be familiar with and to comply with
- the provisions of any such license.
- By signing this agreement, the student and the student's parent/guardian certify that they have reviewed and understand the School Handbook and the Technology Acceptable Use Policy contained therein. They further certify that it is their responsibility to inform themselves as to any school policies that might apply to the student's use or possession of the laptop and to comply with those policies at all times.
- By signing this document, the student and the student's parent/guardian acknowledge that they are solely responsible for ensuring that the student's use of the laptop to access the Internet while off campus will be safe and responsible and in compliance with all applicable laws, policies, rules, and regulations. The Lab Schools will not be responsible for any harm that may come to the student or any other person as a result of the student's off-campus Internet activities.
- Any violation of the terms or conditions set forth or referenced in this document may result in the Lab School taking back the laptop, or restricting, suspending, or terminating, with or without prior notice, the Student's use of the laptop.
- The student's possession and use of the laptop is a privilege, not a right. By signing this document, the student and the student's parent/guardian acknowledge that they have no right or entitlement to possession or use of the laptop and that neither this document nor any conversation, correspondence, or understanding between themselves and any representative of the Lab Schools gives them any ownership of any kind whatsoever in the laptop.
