

Thomas Metcalf School
Health/Vision/Dental Exam Requirements & Other Medical Forms

All required records must be submitted on State of Illinois standard forms. These forms are available from your healthcare provider. **All physical and immunization forms are due by the first day of school.** Please complete the health history portion of the physical exam and sign it prior to submitting. Please review our school handbook for all health policies.

Students entering KINDERGARTEN or students in ANY GRADE who are enrolling in an Illinois school for the FIRST time must show proof of:

- **Physical exam** completed within 12 months prior to the first day of school.
 - All kindergarten students must have the lead screening portion of the exam completed by the physician.
- **Immunization** record including:
 - DTP or DTaP - 4 doses
 - Polio - 4 doses
 - MMR - 2 doses
 - Varicella - 2 doses
- **Dental exam** completed within 18 months prior to the May 15 deadline.
- **Vision exam** completed within 12 months to the first day of school (Due by October 15).

Please contact our school nurse if your student has any chronic health conditions that would impact them at school. If applicable, please print out the medication authorization form, food allergy action plan, and/or asthma management plan, complete all fields, and submit to the school nurse. These forms can be found on our website under forms.
