

University Laboratory Schools Application Acknowledgment Form

As the parent/guardian of a minor and student at Metcalf Laboratory School, I do hereby acknowledge that research and teacher preparation activities are conducted by the staff and students of Illinois State University, and I hereby consent to my child's participation in those activities, which may include activities involving video and/or audio taping and/or photographing of my child.

I understand that my student's classes may be observed by University students and/or other visitors to campus. However, any research projects involving the participation of my child, in any way whatsoever, will be undertaken only in accordance with University policies and procedures, including but not limited to, Institutional Review Board protocols for human subject research which includes the obtaining of permission of the human subject or his/her parent/guardian prior to the student's participation in each separate research project.

This Acknowledgement shall remain in effect so long as my child is enrolled as a student in the University Laboratory Schools.
