

Lunch Program

Dear Parents and Students,

We are looking forward to a great year with all our Metcalf families. First, I would like to introduce myself to those of you who do not know me, my name is Heather Marshall. Nick Lisowski and I oversee the Lunch Program. We hope the following information will be helpful.

We are encouraging parents/guardians to use Family Access through Skyward as much as possible. We will **not** be sending out monthly bills. Please note that you have a family account balance, not individual ones. You will be able to view each child individually as far as purchases, but the account balance will be the same for the family.

You can view your bill and daily purchase online at any time by going to Skyward Family Access. You must go in as the, "Head of Household" to view this information. If you do not know your password, you must **FIRST** click on "Forgot your login or password?" on the Skyward login screen. After entering your email address, Skyward will email your password information. If you are still unable to access your account, please contact Kelly Brown at kcbrow1@ilstu.edu.
